

79th Annual Conference

NZ Taxi Federation

'Technology and Service'

Trinity Wharf Hotel, Tauranga 2 - 4 October 2017

Technology & Service

Our industry faces some extraordinary challenges but we have everything we need to succeed.

Taxis have been around for a long time and we'll be around for a long time yet.

We have the vehicles, the technology, the infrastructure and, most importantly, the people to make sure our businesses thrive and flourish.

But we have to face the fact that we are in a disrupted industry and we are being targeted by those who want to take away the best parts of our business.

Our theme this year is Technology and Service: The latest technology and good old-fashioned service.

The conference will focus on both service and technology and attempt to show how we can bring them together.

We have a range of very good speakers, top trade displays and a brilliant venue.

It's an opportunity to focus on your businesses, listen to ideas for making it even better and mix with other taxi industry people from New Zealand and Australia.

Trinity Wharf Hotel

The Conference is being held at Trinity Wharf Hotel, right in the heart of Tauranga one of the country's most prosperous regional centres.

Trinity Wharf sits out over the water with amazing views of the harbour. Watch yachts and other boats moving around the harbor from your hotel.

Trinity Wharf is offering these special conference room rates:

Superior King	\$200.00
Superior Balcony	\$219.00
Aqua View	\$238.00
Premium Water View	\$257.00
Premium with Spa	\$276.00

You can make reservations direct to reservations@trinitywharf.co.nz

There is a range of other accommodation within 10 or 15 minute walk of the Trinity Wharf conference venue.
